

CIP CODE CHANGES

Degree, Major, Minor, or Concentration

Cover Memo from the Dean's Office

*The proposal must address why the old CIP code is not an appropriate description of the program's curriculum and why the proposed CIP code is correct. Supporting documents may be submitted.

*The program needs to demonstrate that equivalent programs accredited by HLC and offered by reputable institutions have the proposed CIP code.

*The change should be impacting graduate and undergraduate programs if appropriate.

Curriculum Review Committee

Registrar's Office

*Will send notification to Academic Affairs when finalized in system

Report to HLC

*Notification required within 30 days after notification from Registrar's office
