Education

Ph. D., 1999, Criminology and Criminal Justice, University of Maryland, College Park, MD.
M.A., 1996, Criminology and Criminal Justice, University of Maryland, College Park, MD.
B.A., 1992, Government and Politics, University of Maryland, College Park, MD.

Academic Positions

Chair Doctoral Program Committee, School of Criminology and Criminal Justice, University of Nebraska Omaha, 2018 – present.
Professor, University of Nebraska Omaha, 2016 – present.
Professor, Sam Houston State University, 2013 – 2016.
Associate Professor, Sam Houston State University, 2007 – 2012.
Assistant Professor, Southern Illinois University, 2005 – 2007.
Assistant Professor, Arizona State University West, 1999 – 2005.

Administrative Positions

Director, Violence Prevention Academy, Arizona State University, 2002 – 2005.

Research Positions

Program Evaluation Consultant, Montgomery County Department of Corrections, 1997 – 1999.

Research Interests

The nature and origins of criminal propensity
Criminological theory
Offense patterns
Policy and program evaluation

Awards and Honors

Ranked 4th nationally in terms of sole author publications in high impact journals. Ranked 22nd nationally in terms of sole and lead author publications in high impact journals (Orrick and Weir, 2011).

Fellow, Academy of Experimental Criminology, 2011.

Academy of Experimental Criminology Young Experimental Scholar Award 2007.

Academy of Criminal Justice Sciences Anderson Paper Award, 2003.

ASU West Partnership for Community Development Faculty Fellowship 2001.

Publications

Refereed Journal Articles

* = graduate student

Armstrong, T. A. (2003). The Effect of Learning on Crime: Contrasting A General Theory of Crime and Social Learning Theory. In Chester L. Britt and Michael R. Gottfredson (eds.). *Control Theories of Crime and Delinquency. Advances in Criminological Theory, Volume 12*. New Brunswick, NJ: Transaction Publishers.

Other Publications

Logan, M., Toto, S., & Armstrong, T. A. (July/August 2020) Getting Up off the Mat: How to Move Forward After Failing a Comprehensive Exam. *The Criminologist*.

Grants and Contracts

Principal Investigator, Understanding the Resting Heart Rate/Antisocial Behavior Relationship. Grant awarded by the Office of Research and Special Programs at Sam Houston State University, 2009, \$17,500.

Co-Principal Investigator with G. Armstrong, A Randomized Evaluation of the Texas Department of Criminal Justice National Institute of Justice Prisoner Reentry Initiative, 2007, \$100,000.

Principal Investigator with G. Armstrong, and V. Webb, Evaluation of Redeploy Illinois. Grant awarded by the Illinois Criminal Justice Information Authority, 2006, \$66,127

Principal Investigator with G. Armstrong, The Relationship between Methamphetamine and Domestic Violence: Analysis of ICJIA In-House Datasets. Grant awarded by the Illinois Criminal Justice Information Authority, 2005, \$6,261.

Principal Investigator, Online Training Resources for Local Educational Agencies Applying for Title VI (Safe and Drug Free Schools and Communities Program) and State Chemical Abuse Funding. Developed online training designed to help schools conduct a needs assessment, select proven prevention strategies and evaluate the implementation and outcomes of those strategies. Contract awarded by the Arizona Department of Education, 2005, \$24,000.

Principal Investigator, Violence Prevention Academy. Grant awarded by the Arizona Supreme Court, Juvenile Crime Reduction Fund, 2004, \$13,000.

Principal Investigator, Offering AJS 304 – Criminology on ‘the Net’: Expanding our Distance Learning Capacity. Grant awarded by ASU West Instructional Development and Support Grant

program, 2002, \$4,287.

Principal Investigator, Race, Social Ties and the Perceived Costs and Benefits of Offending: Are There Significant Differences across Groups? Grant awarded by ASU West Scholarship, Research and Creative Activities Grant program, 2002, \$5,000.

Principal Investigator with C. L. Britt, An Exploration of the Correlates of Specialization and Escalation. Grant awarded by the National Institute of Justice, Data Resources Program: Funding for the Analysis of Existing Data, 2001, \$30,814.

Principal Investigator with G. Armstrong, "Process Evaluation for Effective Implementation of Violence Prevention Programs." Grant awarded by the Arizona Supreme Court, Juvenile Crime Reduction Fund, 2001, \$10,000.

Principal Investigator with G. Armstrong, "Proposal for Seed Money in Support of White Papers for 'Violence, We've Drawn the Line: A Community Commitment' Conference and Forum". Grant awarded by the Motorola Great Communities Initiative, 2000, \$3,198.

Reports

Armstrong, T. A. (2012). *The Correlates of Recidivism for Offenders Released from the Harris County Jail*. Report prepared for the Harris County Sheriff's Office.

Development of Inmates. Paper presented at the Annual Meeting of the Academy of Criminal Justice Science in New Orleans, LA.

Teaching

Dissertation Committees Chaired

Nicholas Vietto, School of Criminology and Criminal Justice, University of Nebraska Omaha

Tim Barnum, School of Criminology and Criminal Justice, University of Nebraska Omaha,

Ph. D. granted 2018

Shawn Keller, College of Criminal Justice, Sam Houston State University, Ph. D. granted 2013.

Young-oh, Jo, College of Criminal Justice, Sam Houston State University, Ph. D. granted 2012.

Masters Theses Committees Chaired

Dakota Schroll, School of Criminology and Criminal Justice, University of Nebraska Omaha,

M. A. granted 2022

Eric Cooke, College of Criminal Justice, Sam Houston State University, M.A. granted 2016.

Jessica Wells, College of Criminal Justice, Sam Houston State University, M.A. granted 2015.

Graduate Portfolio Committees Chaired

Jessica Wells, College of Criminal Justice, Sam Houston State University, completed 2016.

Shawn Keller, College of Criminal Justice, Sam Houston State University, completed 2011.

Scott MacMillan, College of Criminal Justice, Sam Houston State University, completed 2011.

Courses Taught

AJ 504 – Criminological Theory

AJ 415 – Crime Prevention

AJ 290 – Introduction to Criminal Behavior

CRIJ 760 – Advanced Seminar in Criminology

CRIJ 7337 – Seminar in Criminology

CRIJ 771 – Special Topics, Biology and Crime

CRIJ 6394 – Behavioral Genetics

CRIJ 262 – Criminology

CRIJ 292 – Criminology

CRIM 335 - Criminology

CRJ 532 – Seminar in Criminology

CRJ 303 – Statistical Analysis

CRJ 302 – Research Methods

CRJ 304 – Criminology

Courses Developed

CRJ 532 - Seminar in Criminology
AJS 100 - The Justice System

Student Advising

Chair, Doctoral Program Committee
Chair, Masters in Criminal Justice Policy Project

Workshops

Participated in the "Making Critical Thinking Critical" Teaching Workshop, College of Education, Arizona State University West, 2000.

Participated in the "Creating an Online Syllabus" Faculty Development Workshop, Information Technology, Arizona State University West, 2003.

Service Activities
