Description

Attachment plays a vital role in all our lives and the lives of our clients. This training will take a global approach to the experience of attachment through the lifespan and examine how clinicians and social workers can be supportive with a clearer understanding of how trauma can impact healthy attachment.

Learning Objectives

- Receive a general overview of how to understand the dynamics of attachment in order to understand how it is being experienced by their clients and families.
- Learn what diagnoses are most relevant when working with clients and families through an attachment lens.
- Learn a framework to integrate attachment styles into practice in order to enhance interventions with clients and families.

Accreditation Statement

Grace Abbott Training and Supervision Academy (GATSA), provider #2006, is approved as an Approved Continuing Education (ACE) provider to offer social work continuing education by the Association of Social Work Boards (ASWB) Approved Continuing Education (ACE) program. ACE provider approval period: August 12, 2024 - August 12, 2025. Even when a social work board accepts courses offering ASWB ACE credit, licensees are responsible for determining whether courses meet the CE requirements in their jurisdictions. States and provincial regulatory boards have the final authority to determine whether any individual course may be accepted for credit.

Joint Provider Statement

This activity has been planned and implemented in accordance with the accreditation requirements and policies of Nebraska Board of Mental Health Practice and Association of Social Work Boards (ASWB) Approved Continuing Education (ACE) program. This program meets the criteria of an approved continuing education program for social work, licensed mental health providers, and mental health practice.
