Data Overview and Notes

Overview

This report presents data on participants served over the last month through the Vocational and Life Skills (VLS) Grant in Nebraska. Grantees use the Nebraska Inmate Case Management System (NICaMS) to submit data on participants served through VLS funding. This data is due monthly by grantees and reflects all services provided during the previous month to participants. Nebraska Department of Corrections (NDCS) staff and evaluators at the Nebraska Center for Justice Research (NCJR) work with grantees to manage data entry errors on an ongoing basis using email, phone, and site visit communications.

The current data derives from an active database, from which data is being entered and updated daily. Data values, including previously submitted information, may fluctuate depending on the duration of lag between service delivery and data entry. One common example of this is when participants begin programming near the end of the month and grantee staff do not yet have intake information to enter for participants before the next data pull date. These changes will be reflected in future reports.

Notes on Data

- Individuals participating in multiple programs are counted as a unique individual per grantee.
- Questions on data presented below may be directed to the Research Coordinator, Katelynn Towne, at NCJR with the University of Nebraska Omaha (ktowne@unomaha.edu).

Program Offering Participations

VLS *Program offerings* were developed for each grantee so the evaluation may describe programming components. Each grantee provides different services; thus, each has a unique catalogue of offerings. Some participants only need one offering while others may receive multiple. The program offering status describes how participants are or have participated in programming. Participants may complete one program offered while being actively involved in other program offerings. VLS quarterly reports provide more detailed descriptions of program offerings.

In these monthly reports, a cumulative count of participants served through Grant Cycle Five in each program offering is presented along with the status of those who enrolled in that program offering.
