

Collections Uncorked Sponsorship Levels

The UNO Criss Library wants to partner with you to offer the best event possible for our guests who love wine, beer, libraries, and incredible food! Attendees to our event support the UNO Library Friends' Criss Library Academic Student Scholarship (CLASS) and Distinguished Service Awards for library student assistants and library staff.

Attendees are generally professionals in the education, medical, legal, non-profit, and corporate fields. With a sponsorship you enable us to provide for an exceptional event and your business or organization's name has a guaranteed placement in front of our guests.
