

MAVED: SHAPING THE FUTURE OF GENERAL EDUCATION AT UNO Opportunities to Engage

UNO's general education curriculum is evolving, and with it comes an opportunity for faculty and staff to help shape its impact. Whether you're looking to redesign a course, enhance your teaching strategies, or engage in deeper conversations about student learning, we invite you to be part of this exciting transformation. Through a series of workshops and professional learning communities, we are creating spaces where faculty can come together, exchange ideas, and ensure that general education is meaningful and effective for our students. Here's how you can get involved:

Design or redesign your course to align with UNO's revised General Education requirements—join the incentivized MavEd Course Design Workshop to create a course ready to submit for approval.

Scan the QR code or click the QR code to the left for more information.

Enhance your teaching in UNO's revised general education curriculum—beginning in Fall 2025, join the incentivized MavEd Orientation to refine your strategies, support student success, and gain valuable insights.

Scan the QR code or click the QR code to the left for more information.

Join the MavEd Innovators PLC this fall to collaborate with peers, explore best practices, and drive innovation in general education at UNO.
