learn more

ORCA is excited to share a new opportunity for UNO researchers: membership in the Central Plains Federal Statistical Research Data Center (CPRDC) Consortium. Through this partnership, UNO researchers now have access to restricted-use datasets from the U.S. Census Bureau and other federal agencies. The CPRDC provides a secure computing lab for approved projects, opening doors to groundbreaking research across disciplines.

Information on future training opportunities will be posted at research.unomaha.edu/events

The University of Nebraska does not discriminate based on race, color, ethnicity, national origin, sex, pregnancy, sexual orientation, gender identity, religion, disability, age, genetic information, veteran status, marital status, and/or political affiliation in its education programs or activities, including admissions and employment. The University prohibits any form of retaliation being taken against anyone for reporting discrimination, harassment, or retaliation for otherwise engaging in protected activity. UNO is an AA/EEO/ADA institution. For Title IX concerns, please contact the Title IX Coordinator (phone: 402.554.2120). For ADA/504 accommodations or assistance, please call/contact the ADA/504 Coordinator (phone 402.554.2463) or the Accessibility Services Center (phone: 402.554.2872). MCTEMP2024
